

The President has signed into law the stimulus package known as the American Rescue Plan, which includes \$1,400 Economic Impact Payments (EIP) for qualified individuals.

The federal government is expected to send this third round of economic impact payments to eligible Americans over the next few weeks. The banking industry is working closely with the Treasury Department to help eligible Americans receive these payments quickly, securely and safely during this challenging time.

You may have questions on what payment to expect and how you can check to see if your payment has arrived. Here are a few tips:

-Will I receive a payment and when will it arrive?

Home Federal Bank deposits all payments when they arrive, however we do not have any way of knowing when or if a payment will be received. For payment information, you can visit [IRS.gov](https://www.irs.gov) and click on [Get My Payment](#). Here you will find information on how much to expect, as well as the status of the payment.

-How can I check to see if my stimulus payment has been deposited into my account?

Home Federal Bank's convenient Mobile and Online Banking are always open to check your account activity, including recent deposits. Not a Mobile or Online Banking user? It's easy to get started.

Mobile Banking – Search [*Home Federal Bank GI Mobile*](#) in the App Store or Play Store to download the app

Online Banking – From the Home Federal Bank home page (www.homefederalne.bank), select the enroll now link under Online Banking

You can also call us at (308) 382-4000 or (800) 658-3183 or stop by one of our convenient branch locations during normal business hours. Our branch locations and hours are available on our website.

Important account safety reminder:

Fraud is on the rise. Scammers use many different sources to obtain your personal information including phone calls, emails, text, and social media. Home Federal Bank does not contact customers by these means to request personal information – including information on payments through the IRS or Social Security. If you are in doubt of a call or contact, hang up or disregard the email/text and call us directly.
